Thank you so much for your contribution towards Bethlehem School's recent Cow Dump Gala. We are very grateful to you and your business for support you gave us for the Gala.

Without the donations and assistance of businesses like yours it would not be as successful as it is and we are pleased to let you know that the efforts of the Bethlehem School families and staff on the day were amazing, with our annual fundraising gala this year raising over \$31,000. The vouchers you kindly gifted us went into some beautiful gift packs which we raffled off and raised \$500.

This result is fantastic and funds raised from this year's event will contribute towards replacing the old school playground equipment with newer safer playground equipment.

**Please accept this letter as a small token of our huge appreciation for your contribution.**

Your support has been recognised in newsletters leading up to the Gala and will also be acknowledged in a post Gala School Newsletter that goes home to all of the Bethlehem School families.

Once again, thank you so much for your contribution.

Kind Regards

*Bethlehem School PTA*
