14 October 2019

Dear Jinny,

Thank you for your support this Daffodil Day

On behalf of the Waikato/Bay of Plenty Cancer Society, I'd like to thank Décor Garden World for displaying a counter box in support of our 2019 Daffodil Day appeal.

Daffodil Day is the Cancer Society's largest annual fundraising and awareness campaign. The appeal runs for the month of August, culminating in a nationwide street collection on the last Friday of August.

Money raised from Daffodil Day will stay in the Waikato/Bay of Plenty region and will go a long way to make a difference for people with cancer, their carers, whānau and friends.

The donations you generated were gratefully received and totalled \$119.70. These funds will help us to provide free support services to people who need them, fund vital cancer research and provide the public with information on ways to reduce the risk of cancer. As a community-funded charity, we are reliant on the generosity of the public to continue providing these services.

Once again, thank you for supporting us to make a difference for the one in three New Zealanders affected by cancer. We hope to work with you again in 2020 when we celebrate the thirtieth anniversary of this iconic event.

Warm regards,

A handwritten signature in blue ink, appearing to read "K. Gemmell".

Karen Gemmell
Fundraising Co-ordinator

PS. We are pleased to announce that we will be bringing Relay for Life to Tauranga Domain on 7 March 2020. If your workplace, friends or family are interested in finding out more please contact me on 027 684 0000 or email me on karengemmell@cancersociety.org.nz
