"Success Crowns Effort"

FUNDRAISING
Team

8th December 2019

To Ginny and the Awesome Décor Garden Centre Team,

THANK YOU – We really Appreciate your Support!

Our Ride on Mower Race Day 2019 was a huge day – with almost 10,000 people coming to our School over the course of the day, and \$61,000 raised from our incredible community and beyond. The Silent Auction Team raised \$11,000 of this, which can only be done with the phenomenal support and sponsorship of people such as you!

We would like to take this opportunity to express our heartfelt gratitude for your donation to the 2019 Silent Auction. Each year we are amazed by the wonderful people in the local community who are willing to step forward and support the children of our area. We know that our school appreciates your support, but so too does the school community as it sees the continued benefits in the development of our school as a result of this fundraising. This year, the proceeds from Auction are going towards the day to day running of the school, finishing our pool changing shed and upgrading our outdoor learning environments.

Your generosity was well publicized with huge Thank you Posters displayed at the front of our school, shared in our newsletters, posted on our School Facebook Page and on our Mower Day Facebook Page.

Once again, thank you so much for your sponsorship, we really appreciate you!

Warm regards
