Dear Décor Gardenworld

Thank you for your two gift vouchers which were used to raise money through a raffle at our Christmas dinner.

We had 75 members attend and a great time was had by all. The money raised (over \$300) by the raffle will contribute greatly to our general running costs.

We can't begin to express what your vouchers meant to us. At a time when all businesses are struggling we as a non-profit organisation appreciate the sacrifice from yourselves. Your company name and acknowledge of your gift will be displayed in our monthly newsletter as well as on our screen during sessions of bridge – 5 a week, attracting upwards of 100 members.

Again we thank you and wish you a very successful 2021!

Kind regards

Teri Logie
