HEAT

Each burner is ignited using the Ziegler & Brown flame thrower ignition system. Light any burner first time, every time.

HIGH DOME HOOD

High Dome aluminium hoods with accurate temperature gauges. No compromises with Ziggys - you get the best with every grill.

VENTURING

Excess heat and greasy smoke is exhausted from a rear vent. It's safer, more comfortable for the operator and it doesn't splatter grease all over the grill and its side trays.

BURNER

Single, twin or triple stainless steel burners are fully controllable for more economical gas consumption and performance with more punch when cooking power is required.

DOWN UNDER GRILL

The Ziegler & Brown Grill series has been proudly designed, tested and used probably every day in Australia and New Zealand.

CLEAN UP

Clean up couldn't be simpler with a useful collection tray collecting excess fats and oils that run quickly down the dome shaped grill body. Cooking grills are rust protected and can fit into a dishwasher.

Portable grill

COOKING OPTIONS

Big enough to cook a roast!

EASY TO CLEAN

The detachable grease cup seals tight against the BBQ for safe, cleaner transport.

OPTIONAL TRIVETS

Optional trivet allows you to turn your grill into a cooktop. Perfect for camping!

TWO STAND OPTIONS FOR THE PORTABLE GRILL

Pop it in the boot or on the back seat. Take it camping, to the beach, on picnics, use it on the balcony or BBQ beside the pool. It's great for big spaces, small places, flats, home units or apartments.

This stand is compact, easy to carry, assemble, transport and store.

This handy cart comes with integral storage space for your optional accessories. It also has the capacity to hold 4-9kg gas cylinders.

Simply fold flat with or without the BBQ in place for easy transport and storage.

Ultra portable... The roll back hood locks into place.

The optional carry bag includes a shoulder strap or use the BBQ hood handle to carry your Ziggy.

Comes with handy storage pockets for extra accessories.

Twin grill

MORE SPACE

Twin grills give you loads of space to cook more. The optional warming rack expands capacity even further.

HIGH DOME

The high dome roasting hood has serious capacity, cook two roasts at once or one almighty turkey!

GAS COOK TOP

Turn your Ziggy into a gas cook top with the handy trivet accessory!

SIDE SHELVES

Cleverly designed side shelves are durable, stow away easily, are removable and act as windshields on windy days.

TWIN BURNERS

The twin stainless steel burners can be used together or separately for different cooking requirements. They light first time, every time.

CAST IRON GRILL

The enamel cast iron grill comes in 2 parts which makes it easier to handle and one half can be swapped out for the optional reversible hotplate.

TWO STAND OPTIONS FOR THE TWIN GRILL

Cart comes equipped with full width condiment shelf, bottom shelf for additional storage, and an inbuilt hook for gas cylinder support.

This folding cart has the capacity to hold 4 or 9kg gas cylinders, and comes with internal storage space for optional accessories.

Triple grill

TRIPLE BURNERS

The triple stainless steel burners can individually control their own heat zones. Additional to the enamel cast iron grills, the optional hotplate, baking dish and trivet provide a huge range of cooking configurations for different techniques.

COOKING OPTIONS

The Triple Grill has the capacity to cook multiple roasts, turkeys, standing rib roast, veges and much more on the optional baking dish.

SIDE SHELVES

Cleverly designed side shelves are durable, stow away easily, are removable and act as windshields on windy days.

STAND OPTION FOR THE TRIPLE GRILL

Use on a table top, stand-alone or with the optional Mobile Cart. Dedicated positions to stow away the optional hotplates, baking dish, trivet and warming rack.

COMES STANDARD WITH THREE COOKING GRILLS

Two segment side grills and a large rectangular centre grill. Grills are cast iron with a fused on matt vitreous enamel finish for even heating, excellent heat retention and rust protection.
